

Commissioners of Hebron
Residential Trash Collection and Disposal
REQUEST FOR PROPOSALS

The Commissioners of Hebron is currently accepting proposals for Residential Trash Collection Services by qualified and insured waste management companies. Proposals should include weekly/monthly fees based upon 480 households with an option for expansion of service as the residential needs of the Town of Hebron may increase, for example, due to growth. Trash collection should occur on Wednesdays with allowance for adjustment of trash collection day to Thursdays as needed due to Holiday occurrences or other reasons, at the direction of the Commissioners of Hebron. The trash collection service shall be for residential typical trash for a period of three (3) years. Any surcharge will be deemed a negative by the Commissioners of Hebron during the bid opening and review for award. Additionally, the Commissioners of Hebron will evaluate the quality and level of service provided by the awarded company after each year of service to determine whether to grant an extension of service for the next years. If the level of service is deemed to be insufficient, then the Commissioners of Hebron can terminate the contract upon written notice to the company collecting the trash.

Proposals must include all pertinent company information including contact information and insurance policies carried, a list of Municipalities for which the company may have done business before, letters of reference from clients, a Service Proposal, including what will happen in the event of equipment failure, a Holiday Schedule, a Payment Arrangement, Suspension and Termination Clauses, Excused Performance Standards, and any other unforeseen contractual amendments or information that the company may think appropriate.

Proposals must be submitted to the Commissioners of Hebron no later than 3:00 p.m. on Tuesday, November 17, 2020 in a sealed envelope that will be opened and read at the Wednesday, November 18, 2020 regular meeting of the Commissioners of Hebron at 7:30 p.m. Any questions regarding the proposal requirements or submittal of closed, sealed bids should be addressed to the Town Hall Office at 410-742-5555.
